

Today, at The Colonial Theatre you played a very important role. You were an audience member! The greatest thing about theatre is that we all experience it in different ways. What is silly to you may be scary to someone else.

Find out what your classmates thought about the show. Discuss these questions as a class or find a partner and discuss these questions. Write down their answers. You may be surprised by what you learn!

- 1. What grade are you in at school?**

- 2. What was your favorite part of the performance and why was it your favorite?**

- 3. Did you have a least favorite part of the performance? What didn't you like about it?**

- 4. Describe an emotion you felt during the performance and what in the show made you feel this way.**

- 5. Is there any other thoughts or ideas you would like to share with The Colonial Theatre?**
