WHERE TO PARK?

There are over 1,350 spaces throughout the city, for both On- and Off-street parking. With this guide, you'll be able to find one when and where you need it—at minimal cost.

Keene also makes available certain reserved spaces in specific lots, on a quarterly basis.

Call: 357-9845

for more specific parking information

Office hours: Monday - Friday, 8am - 4pm.

SHORT TERM?

Need to park for two hours or less? Try the meters on Main Street and the connecting streets. They cost 50 cents per hour and a nickel will get you six minutes. But remember, "meter feeding" is illegal; so if your visit will be for more than two hours, play it safe and go to one of the off-street lots pictured above.

OR LONG?

There are seven long term lots and their meters range from three hours to ten hours; So please check the meter carefully when parking! Most of the long term meters will cost you just 30 cents per hour. Check out the map.

OVERNIGHT PARKING: Available at most lots on a rotating basis. Please check whether the lot is active on a given night by observing the entrance sign! Sorry -parking is prohibited on streets 1am-6am, NOV 1 – APR 30, and 2am-6am, MAY 1 - OCT 31.

FREE PARKING: All day Sunday, and after 5pm Monday through Saturday.
