## A MESSAGE FROM THE CHAIR AND EXECUTIVE DIRECTOR

September 29, 2022

For the first time in over two years, we are thrilled to report the Colonial Performing Arts Center is scheduled for a full season of shows and entertainment! It has been a long and winding road to get to this day, and we are so appreciative of all of our members and friends who have stuck with us on our journey. We cannot wait to welcome you into our renovated grand old theater and our exciting new intimate venue - Showroom.

We continue to push forward on our Next Act Capital Campaign to enable us to cover all the costs of renovations, enhanced stage technology and the creation of Showroom. Through the generosity of our members and friends, we have come a long way toward reaching our original goal of \$10,800,000. However, supply chain issues and escalating material and labor costs during the pandemic blew up our final project costs by nearly 20%. So, we still need your help!

We feel terrific about the future of the Colonial Performing Arts Center and the early crowds who have joined us say they feel the same way! We have received glowing reviews and accolades from attendees. In the main theater, they love the new concessions lounge, the spacious ticketing counter, additional bathrooms (yay) and our ability to move patrons in and out in a comfortable fashion. The performers are equally impressed with the stage and back-stage amenities we have added.

Our new venue, Showroom, is a smashing success. We love to see many of our longtime patrons, as well as a new set of customers, in attendance at shows and performances. The intimate venue, with wonderful acoustical quality, has quickly become a favorite for younger, and younger-at-heart, attendees.

We also have been delighted to welcome community events into both Showroom and the Main Stage, continuing our mission to give back to our communities. Watching faces light up as they enter the two venues has been rewarding and truly gratifying to all of us.

We are thrilled to bring you Broadway tours (Stomp and Legally Blonde this season) that we were previously unable to present at The Colonial due to our physical limitations and antiquated theatre technology. Look for many more titles to be added in the future as Broadway touring companies get back on their feet!

The future looks very bright for our gem in the heart of the Monadnock Region. We welcome you back with open arms and can't wait to show off what you helped us achieve!

On behalf of the staff and board of directors, we thank you for staying with us on our journey.

As always, we look forward to seeing you at the Colonial Performing Arts Center.

Sincerely,

**TOM MINKLER**

Chair, Board of Directors

Due to The Historic Theatre being closed during the first half of the 2021-2022 Season and fiscal year, the services of our volunteer ushers were needed on a very limited basis. We were so grateful to welcome them back in April of 2022, for the re-opening of the historic theatre and remainder of the season. As a nonprofit performing arts center, we simply could not do what we do without them, and, are thrilled to be working together again in our current 2022-2023 season!
